March 2010

Well, the weather seems to be getting much nicer and it looks like we will be able to start working on our boats. I for one don't mind this global warming. I would like to remind everyone that Kate has some more fun events coming up that you do not want to miss. As well an early reminder about the spring general meeting coming up in

April it's your club, so come out and participate. This is your club so come out and use it.

Winter is coming to an end, and about time! I would like to thank Fred Reid for his connection and fridge donation to the club. We have recently had some flooding in the club house. If you notice any flooding, please grab a mop and clean it up as much as possible to minimize any damage. Cradle moving will be on

May 08 and there will be a work party on May 15th. Shane

Ahoy mates! Well another month has come and gone, which only means we're one month closer to launch. The Valentines potluck went off without a hitch and many members went home with great prizes. Our next function is our St. Patrick's day, pot luck on March 13th . Cocktails will be at 6:00 p.m. and dinner at 7:00 p.m. So pull out your green clothes and bring your favorite Irish dish. Once again there will be prizes to be won! The Pirate potluck party will be held on April 17th . Cocktails at 6:00 p.m. and dinner at 7:00 p.m. Please join us in our fun festivities and show your support.

Thanks, Kate
